18. 52.212-2 EVALUATION - COMMERCIAL ITEMS (OCT 2014)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Basis for Award

The Government intends to award a contract resulting from this RFQ to the lowest priced, technically acceptable offeror who is determined to be a responsible contractor within the meaning of FAR Part 9, paragraph 9.104. The evaluation will be conducted in accordance with the procedures set forth below:

(i) **Pricing**:

The Government will evaluate prices based on the quantities of the subject vehicles. The lowest price will be determined by multiplying the offered unit prices times the quantities listed in this RFQ, and arriving at a grand total price.

(ii) <u>Technical Acceptability</u>:

The proposed vehicles shall meet all of the technical specifications and the delivery terms contained herein. The offerors shall provide with their proposal, at a minimum, existing product literature to substantiate the acceptability of their offered products in accordance with the Section 4, Description/Specifications of Vehicles, and Section 5, Compliance with Specifications, of this RFQ. In addition, the offerors shall provide for the proposed vehicles the following documentation for technical evaluation of their proposal:

- (A) If applicable, provide details of warranty provisions available for the proposed vehicles in India, and complete contact information of the dealership(s) in New Delhi and/or other parts of India, where the manufacturer's warranty of the vehicles can be claimed:
- (B) Certification of the offeror's supplier or manufacturer to deliver the subject vehicles within the time frame specified in Section 7, Delivery Schedule, of this RFQ.

Technical capability is equal to the price.

- (b) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).
- (c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

19. 52.225-17 EVALUATION OF FOREIGN CURRENCY OFFERS (FEB 2000)
